

BABC

BRITISH-AMERICAN BUSINESS COUNCIL

About the British-American Business Council

The British-American Business Council (BABC) is the **largest transatlantic business network**, with **22 chapters** located in the US, UK and Canada and over **2,000 member companies** based in major business centres throughout **North America** and the **United Kingdom**. BABC is dedicated to helping member companies build their international business

Benefits for Members

Access to a **transatlantic business network**

Access to market-specific **business insights and marketing opportunities** through various communications platforms

Access to local **events programs**, including briefings, celebrations and networking and the Annual Conference as an opportunity to network with other member companies of the BABC from throughout the BABC network and to promote your company and services at these conferences

Trade & Policy

BABC chapters in the UK and the US constantly work with governments to shape policies on **Brexit** and **UK-US trade** that have an impact to **BABC members'** operations and help create an open, business-friendly environment

The monthly **BABC Trade Update** highlights events, meetings, news and business opportunities across the BABC chapters in the UK and the US

 Check **@BabcTrade**

The monthly **Policy Update** highlights policy initiatives of individual chapters and the network at large on transatlantic trade and investment

 Check **@BritAmBusiness**
